**Thank you for your support!**

**2021  
Appreciation  
Banquet**

**Thank you  
for your  
support!**

It was so great to be able to once again hold our Appreciation Banquet. We truly appreciate you all and your continued support throughout the challenges of this pandemic. Thanks to the generosity of so many of you, we raised over \$85,000!

With your support we are able to continue to provide safe, clean water in the name of Jesus throughout Guatemala and Cuba. We thank you!!

## October Installation

Our October installation was located in Estanzuela, Zacapa, Guatemala at the Ministerios en Victoria. Living Water World Missions also held our first ever "International Clean Water U" Training Program for participants from Ecuador, Guatemala and the US.

The installation was a great team effort with the addition of the Training Program participants.

This water system will help sustain the Ministry with the church just recently being up and going again due to the pandemic.

### Prayer Requests:

We continue to ask for prayers for our brothers and sisters in Cuba, as the effects of the pandemic continue to increase struggles for many there.

Please pray for the Board of Directors and staff as they travel to and hold the 2021 Operator's Conference this month.
