

Summer 2019 Newsletter

United by the Living Water Who Gives Life

Jesus stood and said in a loud voice, “Let anyone who is thirsty come to me and drink. Whoever believes in me, as Scripture has said, rivers of living water will flow from within them.”

John 7:37-38

Dear friends of Living Water World Missions, These last few months have been full of installations, relief efforts, and our Water for Children campaign. We now have 66 operating systems in Guatemala and 14 throughout other parts of Latin America. There are three more slated for 2018.

None of this would be accomplished without your prayers and financial support we could not continue to do this ministry. We are happy to share with you some of these exciting developments. Read on!

Summer Installations

Over the last few months we have installed three systems in Guatemala with teams big and small.

Our May team went to the far reaches of the Peten region with a small and dedicated team from across the U.S. - California, Texas, Ohio, and North Carolina!

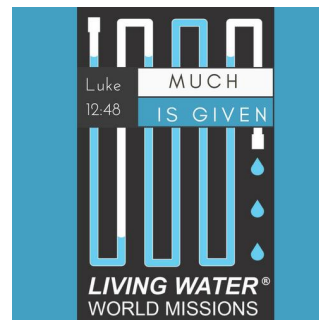

In June we welcomed for the second time

the Lighthouse Youth Ministries team from Santa Ynez Presbyterian Church in Solvang. This team faced some challenging travel to and from the installation site but it didn't hinder their joy to serve.

In July the team was made family members and dear friends of three of our board members, Mark Vanciel, Jim Pitkin, and Mark Cunningham. There were three generations of the Pitkins including our youngest team member yet - not even one year old. More on that trip coming soon!

Follow our August trip on Facebook or Instagram - see links below!

Help for Volcano Victims

Water for Children
We had a dozen churches participate in this year's water drinking fundraiser. Over \$10,000 was raised by these churches and individuals including two system sponsorships.

Thank you for your support as we seek to bring clean water to children and their families across Guatemala and beyond.

Please continue to pray for our system partners as they provide clean water to their communities and share the Gospel of Jesus Christ, the Living Water.

On June 3, the Volcano del Fuego erupted in Guatemala in close proximity to four of our existing systems. Our brothers and sisters who operate these systems are on the front lines of relief efforts and we have been responding to their requests for assistance. Thanks to the support of many of you we have received nearly \$4000 in donations for the clean water, clothes, medicine, shelter, and other basic needs of those affected by the volcano. We have also supplied additional bottles for distributing water, some of which are being used by a volunteer fire department to help victims. Thank you for your support of these relief efforts!

2018 Banquet

Our Annual Appreciation Banquet will be October 19 at Gateway Church in Visalia.

A wonderful tri-tip dinner and dessert auction will begin at 6:30pm followed by stories of the impact of LWWM in Guatemala and testimonies of team members. Event and Table Sponsorships are now available. [Contact us](#) for more information.

We hope you will consider joining us for this special evening to celebrate what the Lord is doing through Living Water World Missions. Invitations to follow.

Pray for LWWM:

health and safety of our staff in Guatemala
November Operator's Conference and site partners in Guatemala
upcoming installations & team members
wisdom and discernment for LWWM board
Volcano victims and relief workers
