Summer 2023 LWWM NEWSLETTER

The Summer season brought changes to Living Water World Missions, ranging from an exciting new program addition to some goodbyes within the organization. We are happy to also report on the successful trips throughout the summer as well.

In June, board members and staff traveled to the eastern Jutiapa area for seven follow-up visits. They met with Church leaders and toured previously installed systems. It was a blessing to see that many system operators are doing well. Not only are they blessing their communities with clean and affordable drinking water, but many have been able to use the systems as a tool to bring others closer to the Lord.

In July, our **100th system** was installed at the Iglesia de Dios Evangelio Completo Central in San Cristóbal, Alta Verapaz, Guatemala. A beautifully built system room awaited the team along with many willing helping hands. It was a successful installation week that included the new Evangelism training to the women within the church leadership, who then carried on their training to women within their community to share the word of the Lord with. A beautiful dedication followed completion of the system. All who attended were invited to tour the newly installed water system.

Our August installation team was in Retalhuleu, Guatemala at the Iglesia Jesucristo es el Rey. Another amazing install filled with gratitude throughout the week by church leaders and volunteers. The system was installed, pressure tested and completed successfully with the training and testing of system operators. This church is part of a multi-partner church system with three other churches who work together to provide for those in need. Exciting to think of the good the system will be doing to aid in their outreach work.

Guatemala Staff Update

In June we regretfully bid farewell to Gaby, our In-Country Education Director. Gaby had been with LWWM since January of 2015. We wish her and her husband, Pastor Fito, the very best as they begin this next chapter in their lives as soon to be parents! We also give thanks to Gaby for helping to make the transition for our new In-Country Education Director, Raquel Orellana, so smooth.

In addition to welcoming Raquel, we welcomed two new staff members, Jhoselyn Barrios and Hector Chiroy Tzorin, earlier this year. Jhoselyn joins us in a new position as our Evangelism Program Director. Hector joins us as a Technician and installation team driver.

Jhoselyn Barrios

Hector Chiroy Tzorin

Raquel Orellana

IN MEMORY OF

Mark Cunningham

"Whoever hears my word and believes in the one
who sent me has eternal life and won't come
under judgment but has passed from death into
life"

John 5:24

We were saddened by the sudden death of our friend and board member, Mark Cunningham. Mark joined Living Water World Missions as a board member in 2017 and took part in many system installation trips through the years that go back to 2011. We are all blessed to have known him and are grateful for his service to Living Water World Missions.

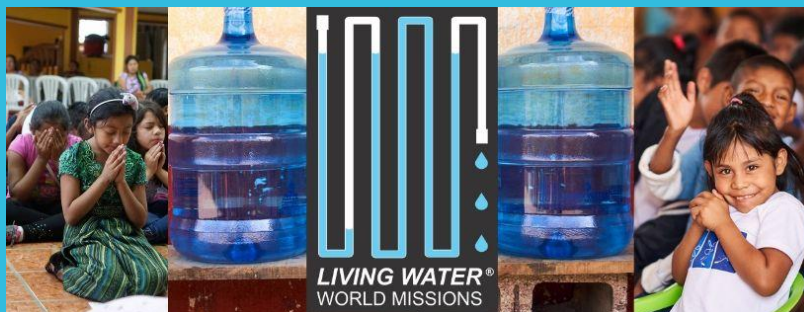

SAVE THE DATE!

Join us at our 10th Annual Appreciation Banquet on November 10, 2023.
There will be a deep pit beef dinner, dessert auction and Guatemala updates.
Tickets available soon!

Prayer Requests

- Please join us in praying for the family and friends of Mark Cunningham. We pray for comfort during this time of grief.
- Please continue to pray for the safety of our teams and staff as they travel each month.
